Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the descriptive return of the regiment (and the recruiting officer) to the Adjutant General, and the case to accompany the company to which the soldier has served should be given on the back.

Note 2.—The Regiment and Company to which the soldier last served should be given on the back.

Note 3.—An enlistment is void, in all cases, unless payment of pay, bounty, pension, &c. A re-enlistment is void, in all cases, to deprive the soldier of pay, bounty, &c.

Note 4.—An enlistment holds to service. A re-enlistment, in all cases, prevents payment of pay, bounty, pension, &c. A re-enlistment is void, in all cases, to deprive the soldier of pay, bounty, &c.

The re-enlisting officer, consistency, or continued consistency of re-enlistment, in no case may be, will constantly look collaterally as having examined the soldier into the service of the United States before taking action of them is given to the discharging officer.

We Certify on Honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Wm H Duncan of Oldham Co Ky drafted in 5th Dist Ky Sept 20 1864, we have strictly observed the Regulations which govern in such cases. The statement's statement on page 9 of the inclosed report of the special examiner, to which the attention of this office is directed, is understood as signifying no more than that he left his company shortly after he had joined it, and that he went back to Nashville (to which place he was sent from Louisville, Ky., enroute to join regiment), and entered the hospital there--a statement which agrees with the record.

Attention is invited to the inclosed statement of February 9, 1889, from the medical records. That record pertains to the within mentioned soldier (the names Frank Fosbush, etc., not being borne on rolls of Co. B, 12th Ky. Cav.), and shows that he was admitted to hospital at Nashville, Dec. 20, 1864, four days after the reported desertion of Dec. 16, 1864. As there is nothing to indicate that he was arrested, but appears to have voluntarily reported to the military authorities in Nashville, this charge of desertion appears to be erroneous. He was, however, absent without leave from

I entered upon duty as such May 10th 1864, by virtue of said commission, a vacancy existing in said grade of 1st Lieut. in Company "I" same Regiment, caused by the promotion of Lt. L. H. Rousseau to Regt Q. M.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, Oliver P Franklin previously to his enlistment; and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. FINAL STATEMENT

OF

Private James E. Freeman.

12th Reg't of Ky Cavalry

VOLUNTEERS.

Date Dec 19. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should EXHIBIT in full statement of the time for which the Soldier was allowed pay on his final statements, deducting amount, and all other charges against him or in his favor, so as to show a complete account of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Lessthese must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be obtained from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, to Appointment, and Claim Council, Washington, D. C.

VOLUNTEERS.

Date Mch. 17. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining at his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the time of his leave, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so detained on his own leave.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a final statement of the items for which the Soldier was allowed pay on his final statements, the dividend received, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster-roll upon which the Soldier's discharge is requested. The descriptive list will then be destroyed. The effect of this is, that the muster-roll [illegible] Soldier's account may be posted upon the receipt of these muster-rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that his descriptive list is incomplete. These statements, with pays, &c., are audited by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

FINAL STATEMENT

Pri. John Gorgas

12th Reg't of Ky Inf.

Co. B

VOLUNTEERS.

Died Aug 11. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will specify to the act of the delivery of the duplicate certificates with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been dismounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for final pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other unserviceable charges, should appear under the heading of "Other charges."

NOTE 5.—Money paid by State authorities, enlisted by the United States, will not be stopped on this statement.

NOTE 6.—Assembling the two following statements is required on the muster roll on which the discharge, final statement, &c., is reported, as well as on the final statement, whether the amount be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent [illegible] by the Hospital Steward, or officer, to the Adjutant General's Office [illegible]

NOTE 9.—If the Soldier [illegible] for clothing, the amount for [illegible] at the time of [illegible] should be [illegible]

NOTES.

1...The amount of any extra pay for which the soldier may be mustered, or, *if on Lasting Hospital Account, on Soldier, &c.*, and which may be still due him, must be carefully noted.

2...In the column headed "BOUNTY PAID," must be entered the whole amount of Bounty paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

3...Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.

4...In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of commanding officer.

5...A careful settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, *or* FROM him must be precisely stated.

6...Should the man have been engaged in any action, or skirmish, it must be mentioned, together with date and place. *A full and particular mention* will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

7...If the soldier is assisted to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.

8...When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Dep't.

9...Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

10...Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was mustered in; under "Where Mustered in," the name and No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 6th *D. Mass.*; (meaning 6th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer collecting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)

11...A separate descriptive list should, as a general rule, be given for each man.

12...Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men *acting* as such.

1. Two copies of this List will be made out by the Provost Marshal of every deserter, or party of deserters, sent off by him. These Lists will be taken by the Provost Marshal, or deputy in charge of the deserters, to the officer to whom the deserters are turned over; this latter officer will retain one and return the other, giving a receipt for the deserters by name on the back of it. This copy of the Descriptive List will accompany the Provost Marshal's monthly report to the Provost Marshal General of persons arrested.

2. The sequence hereunto in the superintendent of deserters will be noted opposite each party's name on the Descriptive Lists. None of the sequence, however, hereunto of the General's account after he has been mustered by the Provost Marshal General, shall be changed or erased.

FINAL STATEMENT.

OF

Samuel Gilpin

Co. B, Reg't of Kentucky Infty.

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster rolls upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Charges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts like the Slater and Lumadrose must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the account cannot be obtained from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in hospital or elsewhere, forward certificate of descriptive list, if he has one, should be sent with the final statements, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for [illegible] must contain only the word "drafted" or "substitute," as the case may be. If this blank is a "veteran," or "re-enlisted" volunteer, the word "veteran" or "re-enlisted" must be inserted in the space for [illegible] and the [illegible] must be inserted. In case any one of the [illegible] is omitted, the [illegible] will be returned for correction.

CERTIFICATE OF DISABILITY FOR DISCHARGE

IN THE CASE OF

Henry P. Gould

a Sergeant Co. F.

13th Regt of Cty. V. Vols

Adjutant General's Office

Aug. 1. 1885.

Duplicate sent to Pension Office

COMPARED WITH
AND CORRECTED BY
ROLLS.

Received (A. G. Office) _____, 186

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for pension, special care must be taken by surgeon to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and the disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1180 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, date the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C., they will not, under any circumstances, be given into the hands of the soldier.

Respectfully returned to Lieut Col. E. S. Flint U.S. A. A.C.M.

It is evident that by some authority State Agents have heretofore been permitted to carry furloughs and Discharge papers to and from Head Quarters of the Dept and it is equally evident that it is in violation of Orders.

I am taking measures to stop such irregular proceedings; but it is like Stunning the political power of Twenty States.

Respectfully returned to Col.

Dept. Ky. with the information that
the Discriptive Roll in question
appears to have been delivered to
the Soldier by Steward Santorius
U.S.A. against an order of this
Hospital, and without my knowledge
The Soldier considered his roll
incorrect, and desired to take
it to his State Agent to have the
same corrected, all of which I do
repudiate, and denounce as highly
improper. But I have the honor
to state that other known Veterans
have obtained their discharges from
the same Hospital," and others gain
it by getting their Rolls in the same
manner (or Certificates of Disch

and that we will try to ex-
ercise due caution in the matter.
The "Special
attention" of the Medical Direc
tor of the Dept. is however, respectfully
"invited to the impropriety" of
Commissaries of Musters, selecting,
from the lists of Soldiers forwarded
them, at the Suggestion of "State
Agents", or otherwise, Certain, Special
individuals, and often unworthy
Soldiers, discharging them at once,
while all the rest must wait days &
weeks before they are discharged. This
very act, as a fact, has been the cause of
considerable discontent, & hard feeling
among the Soldiers of this Hospital.

of allowing Hospital Stewards
to dispose of Des. Lists. as they
may think proper. This List
was handed to me this morn-

with the accompanying
note from him. I asked
Thomas how his Des Lists.

found it to way into the hands
of the Mil. Agt and he told
me he himself gave it to him
having received it from
the Steward. I have heard
that several Des. Lists. have
been lost at different Hospitals

under such a system. This

his discharge on the ground
that other known veterans

I, George W Groves born in the State of Indiana, and by occupation a Farmer aged 38 years, and by DO HEREBY ACKNOWLEDGE to have agreed with Henry J Sandwich, Esq., of Nelson Co 5th Sub Dist 4th Dist Ky to become his SUBSTITUTE in the Military Service, for a sufficient consideration paid and delivered to me, on the 30 day of Sept, 1864; and having thus agreed with said Henry J Sandwich, I DO HEREBY ACKNOWLEDGE to have enlisted this 30th day of Sept 1864, to serve as a Soldier in the Army of the United States of America, for the period of THREE YEARS, unless sooner discharged by proper authority: I do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do solemnly swear that I will bear true and faithful allegiance to the United States of America; that I will serve them honestly and faithfully against all their enemies or opposers whomsoever: and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at Bellmont Ky this 30th day of Sept 1864. Before Wm H Forbes Capt & Provost Marshal 4 Dist Ky

George W Groves

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Henry J Sandwich, drafted in Bellmont Co 5th Sub Dist 4th Dist Ky Sept 19th, 1864, we have strictly observed the Regulations which govern in such cases. This soldier has Blue eyes, dark hair, light complexion; is 6 feet — inches high.

SUBSTITUTE VOLUNTEER ENLISTMENT.

STATE OF Kentucky TOWN OF Louisville

I Pat Healy aged 24 years, and by occupation a Laborer Born in the State of Ireland, Do Hereby Acknowledge to have agreed with B. H. Bailey, Esq., of Louisville Jefferson County Ky to become his SUBSTITUTE in the Military Service, for a sufficient consideration paid and delivered to me, on the 21 day of Sept 186 4, and having thus agreed with said B. H. Bailey I do Hereby Acknowledge to have enlisted this 21 day of Sept 186 4, to serve as a SOLDIER in the Army of the United States of America, for the period of THREE YEARS, unless sooner discharged by proper authority: I do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do solemnly swear that I will bear true and faithful allegiance to the United States of America; and that I will serve them honestly and faithfully against all their enemies or opposers whomsoever; and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to at Louisville Ky this 21 day of Sept 186 4 before me Pat Healy

Capt Pro Mar 5th Dist of Ky

We Certify on Honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of B. H. Bailey drafted in 5th Dist Ky Sept 19 186 4 we have strictly observed the Regulations which govern in such cases. This soldier has gray eyes, light hair, fair complexion; is 5 feet 10½ inches high.

HEAD-QUARTERS ACT'G ASST. PROVOST MARSHAL GENERAL,
STATE OF KENTUCKY.

Louisville, Ky 7 July 1864

Captain J. Bates Dickson Adjt, 112th O.V.I.

Captain

I am this day in receipt of a letter dated June 5th from T.A. Rowseau Lt. Col. Commanding 12th Ky V.V. Inft addressed to Brig Genl McLean Commdg 3d Brig. 3d Div 23d A.C. Corps which requests that certain officers of the regiment on detached service be ordered to rejoin the regiment. This letter was forwarded through the regular military channel up to Major General Schofield who refers it to Brig Genl. Burbridge Commdg 1st Dist and directs him to order these officers to rejoin their regiments and Genl Burbridge sends it to Genl Ewing Hdqrs to Lt. Colonel Fairleigh Military Commander Louisville who refers it to me with request that one of the officers named Capt C.C. Hann be directed to report to his regiment.

Before I act on the case I desire to receive the instructions of Genl. Burbridge. All the officers named in the letter of Lt. Col. Rowseau, to which the several references above stated are made, are on ordinary detached service excepting Captain Hann who is on re

creiting Service. By Regulations an Officer on this Service cannot be relieved by order of the Department Commander or other inferior Commander, but by order from A. G. O. except in certain cases, by the General Supt. of Recg. to whom he reported.
In the present case however it may be considered that, Recruiting Officers and men on Recruiting duty may not be relieved by order of the Department Commander or inferior Commanders by virtue of such provisions, yet under Special order AGO No. 120 such persons may have been specially deputed to fund Burbridge. I desire to be informed of the considered the authority so granted as applicable to the ordinary details of the superintendence of Recg Service — and admitting that it is applicable, if he meant it to be applied in the case presented.
The appearance of the papers, in which fund Burbridge's Reference is by you as AAG, wherein that is now regarded as an order in Routine for certain absent Officers Recruiting to return to their regiment, there being nothing in the letter or endorsements to exhibit the peculiarity that persons named were on such duty that the Department Commander could not relieve them from. & therefore I infer that when you for-

warded the letter with your endorsement There was no thought of exercising the power which might be considered as conferred by Special order 140 A.G.O. I do not act on the papers therefore until I receive from you advice if the officers or men named in the list of Lieut. Rowtree's letter who are on recruiting service be omitted from the obligations of the order.

In the particular case of Capt. Nave I beg leave to state that while on recruiting duty he has been in charge of Genl ~~Depot~~ Depot of Convalescents before the establishment of the Genl. Rendezvous under Col. Drummond & subsequently of Park Barracks for Quarters of Veteran organizations & as depot of recruits made by recruiting officers and of new organizations but is on the point of being relieved from this command by reason of failure in raising the 4th Inf. men; and my purpose was to place him on recruiting duty at Camp Nelson or elsewhere where needed. He is expert & faithful and would be of benefit to the service under present circumstances to retain him.

Very Captain Very Respectfully
Your Obt Servt
